### AN EVALUATION OF TH CELESTE

2000 Bay Mare

By ZT Faa iq x AmarelaAl Badi

Ears: Average size, well set  
 Eyes: Large, well set with good width  
 Muzzle: Small with large nostrils  
 Head: Very typey, good dish, large cheeks  
 Neck: Long and well set  
 Shoulder: Could be slightly more sloping  
 Topline: Fairly good, back could be slightly shorter, deep heart girth, good body

Croup: Fairly level

Hip: Good length

Front Legs: Long well muscled forearms, cannons could be slightly shorter, very slightly tied in below the knees

Hind Legs: Long well muscled gaskins, large correctly angled hocks

Pasterns: Correct length and angles

Tail: Well set and very well carried

Feet: Front feet not quite a matching pair, otherwise good

Movement: Outstanding free movement and presence

Overall Impression: In my opinion this is a quality, very typey mare with wonderful movement and presence. She has produced two good foals and is an excellent mother. She has a lovely temperament.
